(iv) which Institution or a Researcher is required by law to disclose, provided that the other party is notified of any such requirement with sufficient time to seek a protective order or other modifications to the requirement.

3.3 The obligations of this Section shall survive this Agreement for a period of fifteen (15) years after the Effective Date.

4. INTELLECTUAL PROPERTY [version for multi-sponsor agreements]

4.1 Study Sponsor's(s') Confidential Information and all tangible expressions, in any media, of Study Sponsor's(s') Confidential Information are the sole property of such Study Sponsor.

4.2 All New Intellectual Property shall be the sole property of Institution; however, Institution will notify each Study Sponsor, promptly and in writing, of any New Intellectual Property in accordance with the Confidentiality Terms in Section 3 of this Agreement. Institution hereby grants to each Study Sponsor a perpetual, non-exclusive, fully-paid up, royalty-free, irrevocable, worldwide, unrestricted license under any New Intellectual Property for Study Sponsor Uses, with the right to sublicense through multiple tiers. Institution further grants an exclusive (for Single Sponsor exercised option) or co-exclusive (for Multi Sponsor exercised option) always even as to Institution, option to each Study Sponsor, to be exercised within twelve (12) months from notice of the New Intellectual Property to negotiate in good faith a co-exclusive (even as to Institution), fee-bearing, worldwide license with the right to sublicense through multiple tiers to any New Intellectual Property which Institution may have or obtain. In order to negotiate the co-exclusive license in accordance with the Confidentiality Terms of Section 3 of this Agreement, Institution shall only share a summary of the New Intellectual Property. However, if Institution needs to provide any other Study Sponsor's Confidential Information within the summary of the New Intellectual Property, the Institution shall request the written authorisation of the concerned Study Sponsor(s), which shall not be illegitimately withheld. If additional assistance from the Institution is requested beyond the rights provided by the non-exclusive license, Institution will provide reasonable assistance to each Study Sponsor, upon commercially reasonable terms that are at least as favorable to the Study Sponsor as the terms agreed with any other licensee for such assistance, to facilitate Study Sponsor in fully utilizing any New Intellectual Property. For sake of clarity, "co-exclusive" rights shall not provide exclusivity of one Study Sponsor against the other(s), but shall preclude Institution from granting licenses to third parties.

4.3 If a Study Sponsor exercises its option to negotiate an exclusive or co-exclusive license, Study Sponsor and Institution will exclusively (for Single Sponsor exercised option) or co-exclusively (for Multi Sponsor exercised option) negotiate in good faith, for up to twelve (12) months or such mutually agreeable longer period, regarding commercially reasonable terms for an exclusive or co-exclusive, worldwide, fee-bearing license, including the right to sublicense, for the Single or Multi Study Sponsor(s) and its/their Affiliates to make, have made, use, import, sell or otherwise dispose of the subject matter of the New Intellectual Property or products incorporating the subject matter of the New Intellectual Property subject to any non-exclusive licenses granted in section 4.2. In the event that none of the Study Sponsors exercises the option to negotiate an exclusive or co-exclusive license, or in the event Institution and Study Sponsor or Study Sponsors fail to agree to commercially reasonable exclusive license terms following good faith negotiation, Institution may negotiate further non-exclusive license terms with third parties. Any such terms shall be consistent with the non-exclusive license granted to Study Sponsor in Section 4.2 above. Should any terms be agreed with a third party in accordance with this section, then for five (5) years after the Effective Date, Institution will notify each Study Sponsor, within thirty (30) days of the effective date of any such agreement, of the identity of the third party.

Institution further grants an exclusive option, to be exercised within one hundred eighty (180) days from notice of the New Intellectual Property to negotiate in good faith an exclusive, fee-bearing, worldwide license with the right to sublicense through multiple tiers to any New Intellectual Property which Institution may have or obtain. If additional assistance from the Institution is requested beyond the rights provided by the non-exclusive license, Institution will provide reasonable assistance to each Study Sponsor, upon commercially reasonable terms that are at least as favorable to the Study Sponsor as the terms agreed with any other licensee for such assistance, to facilitate Study Sponsor in fully utilizing any New Intellectual Property.

4.3 If a Study Sponsor exercises its option to negotiate an exclusive license, Study Sponsor and Institution will exclusively negotiate in good faith, for up to one hundred eighty (180) days or such mutually agreeable longer period, regarding commercially reasonable terms for an exclusive, worldwide, fee-bearing license, including the right to sublicense, for the Study Sponsor and its Affiliates to make, have made, use, sell or otherwise dispose of the subject matter of the New Intellectual Property or products incorporating the subject matter of the New Intellectual Property subject to any non-exclusive licenses granted in section 4.2. In the event that the Study Sponsor does not exercise its option to negotiate an exclusive license, or in the event Institution and Study Sponsor fail to agree to commercially reasonable exclusive license terms following good faith negotiation, Institution may negotiate further non-exclusive license terms with third parties. Any such terms shall be consistent with the non-exclusive license granted to Study Sponsor in Section 4.2. 10. TERM AND TERMINATION

10.1 The term of this Agreement shall commence on the Effective Date and continue through completion of the Research Proposal. Certain provisions of this Agreement survive termination of this Agreement as expressly set forth herein.

10.2 Institution's or a Researcher's use of any of Study Sponsor's(s') Confidential Information or Intellectual Property in violation of any law or of any terms or limitations imposed by this Agreement shall be a violation of this Agreement and Study Sponsor may immediately terminate the rights granted under this Agreement unless earlier terminated as set forth in 10.3 below.

10.3 Study Sponsor(s) may, in addition to any other rights and remedies available to Study Sponsor(s), terminate this Agreement by giving Institution written notice of such termination in the event Institution or any Researcher materially breaches any of the terms and conditions of this Agreement and fails to cure such breach or default as promptly as practicable and, in any event, not more than thirty (30) days after respective Study Sponsor gives Institution written notice specifying the details thereof.
